---

Hi Megan,

The sum of £620 was used to fund Dental Nursing anatomy and physiology books for the Oral Max/Facial Department where Dental Nurses do regular teaching locally and are undertaking national courses. Hence the books purchased were invaluable to learning and the teaching and sharing of knowledge to the team. In addition to upskilling the Dental Nurses in order to improve and give the highest standard of care to their patients.

Nursing books were also purchased 'Becoming a newly qualified nurse' and 'Preparing for an interview' which was then given to all areas in the Specialist Surgery directorate for all staff to borrow. These books were selected as they were written by Carol Ford Johnson our Trust Recruitment and Retention Lead for NOTSSCaN.

Finally, 5 x nurses were selected to attend the BAPRAS (British Association of Plastic Reconstructive and Aesthetic Surgeons) Annual Conference. This was invaluable as it helped the team to benchmark against other NHS Trusts offering plastic reconstructive surgery, in addition to sharing ideas and projects to improve the care and follow-up of these patients.

Many Thanks

Kate

**Importance:** High

Hi Kate – this was the sum of £620 as in the attached letter. I believe you spent this on dental/nursing text books (twice) and for Register for BAPRAS 75 - Nurses Education Day; 2nd December 2021 London – I imagine more than one person attended this.

I look forward to receiving your report.

Best wishes

Megan

Hi Megan,

Are you able to provide more details, as I am unsure what this is referring to? Also please could you let me know which ward's charitable funds it is related to?

Thanks  
Kate

**Subject:** OAHP Charity Awards 2021

I am writing to request your reports on the activities you undertook with funding provided by the Oxford Academic Health Partners Charity in 2021. I look forward to receiving a short report on the benefits you obtained for both yourself and, if applicable, for patients.

I would be grateful if you were able to send this through to me as soon as possible.

Best wishes

Megan
